SUBJECT: Contract FS-99

Dear Bill:

In furtherance of my communication dated 28 November 1955 and our discussion held during December 55, there are transmitted herewith four copies of a document pertaining to the handling of the finance operations of your personnel at a forward installation. This transmission has purposely been withheld in the hopes that definite information could be supplied with respect to the points mentioned in the general provision, i.e., the location, cost of commodities, etc.

It is expected that it will be some few days yet before the other information may be supplied and it is desired to place this document in your hands promptly in order that any questions existing may be raised during the suppliers' meeting which will be held in Washington D. C. on 29 February and 1 March 1956.

Very truly yours,

Doug
